

Elmer Contributor Agreement

Thank you for your interest in contributing to Elmer finite element software. CSC would like to reserve the right to use contributions to Elmer under our current free software license, and also other licenses we may use. However, CSC does not want to prevent you from using your contributed code in any way you wish.

The form of license below is a document that clarifies the terms under which you ("Contributor"), the person listed below, may contribute software code and other copyrighted content (the "Contribution") to Elmer owned by CSC – IT Center for Science Ltd. ("CSC").

To make a contribution, please print two copies of this document, complete the information below and send one original signed copy by regular mail to CSC – IT Center for Science Ltd., P.O. Box 405, FI-02101 Espoo, Finland, or by fax to +358 9 457 2302, or by e-mailing a scanned copy to elmeradm@csc.fi. Please read this document carefully before signing and keep the other original for your records. If you have questions about these terms, please contact us at elmeradm@csc.fi.

Contributor and CSC agree:

1. Contributor hereby irrevocably assigns, transfers, and conveys to CSC all intellectual property rights, including copyrights, patent rights, and any other relevant rights, to the Contribution. Without limiting the generality of the foregoing, CSC shall have the right to use or not to use the Contribution and to use, sell, register, distribute, license, reproduce, re-use, alter, modify, edit, change, or otherwise commercialize the Contribution as it sees fit, in any manner now known or in the future discovered, and for any purpose.
2. Upon making the assignment and grants set forth in Section 1., the Contributor shall receive from CSC a non-exclusive, worldwide, fully paid-up, royalty-free, irrevocable license to make, have made, use, reproduce, distribute, sub-license, modify and prepare derivative works based on Contribution.
3. The Contributor assures that he or she is able to grant the rights listed in Section 1.
4. The Contributions are Contributor's original work. Contributor assures that the Contributions are Contributor's original works of authorship, and to Contributor's knowledge, no other person claims, or has the right to claim, any right in any invention or patent related to the Contributions.
5. The Contributor understands that the decision to include the Contribution in any product or source repository is that of CSC, and this agreement does not guarantee that the Contributions will be included in any product.
