* *Tero joins meek*

07/10/2009 10:56:17 * *Karl joins meek*

07/10/2009 11:00:46 * *Erkki joins meek*

07/10/2009 11:02:50 <Erkki> Welcome. This chat was set up at the request of Yves Neuville in the September plenary, but I don't know, whether he'll participate.

07/10/2009 11:03:40 <Erkki> I'd expect Mike Pluke to show up, as well as Troy Korjuslommi.

07/10/2009 11:06:46 * *Erkki quit (timeout)*

07/10/2009 11:08:18 <Erkki> Tero and Karl, are you there?

07/10/2009 11:08:24 <Tero> Let's hope they show up, so that we can agree on the date for the final meeting.

07/10/2009 11:08:31 <Karl> Hello everybody, I am there.

07/10/2009 11:09:17 <Tero> I've got another meeting at half past, so I hope we could reach a conclusion prior to that.

07/10/2009 11:18:26 <Karl> As apparently nobody else shows up, I propose to repeat this chat next week. A time in the afternoon (like 15:00 Brussels time) may be more convenient for Alain due to the 6 hours time difference to eastern Canada.

07/10/2009 11:18:51 <Tero> We won't be here next week, either of us.

07/10/2009 11:19:29 <Karl> On Friday this week, then?

07/10/2009 11:19:41 <Erkki> I'm sorry but I'll leave next Wednesday morning for the States, and Tero will leave earlier.

07/10/2009 11:20:08 <Erkki> On Friday this week would suit me.

07/10/2009 11:20:19 <Tero> Me too.

07/10/2009 11:20:21 * *yves neuville joins meek*

07/10/2009 11:21:09 <Erkki> Yves, would the review period till November 9th suit you?

07/10/2009 11:22:08 <Erkki> We could then have the on-line meeting on November 19th or 20th.

07/10/2009 11:22:36 <yves neuville> good afternoon

07/10/2009 11:23:04 <Erkki> Good afternoon, Yves. Did you see my questions to you?

07/10/2009 11:23:04 <yves neuville> i just arrived so what are the different proposals

07/10/2009 11:23:53 <Erkki> There are no other proposals than those of mine just a couple of lines above.

07/10/2009 11:24:15 <yves neuville> the jtc1 plenary is in Tel Aviv from 17 october to 24

07/10/2009 11:24:44 <Karl> Both dates for the on-line meeting would suit me, Friday November 20th more than Thursday 19th.

07/10/2009 11:25:02 <Erkki> We are now discussing the dates in November.

07/10/2009 11:25:11 * *Troy joins meek*

07/10/2009 11:25:27 <Troy> 17 is OK for me

07/10/2009 11:25:55 <Erkki> Troy, 17th has no longer been proposed.

07/10/2009 11:26:18 <yves neuville> and then I am teaching in Abu dgabi new Sorbone from the 26/10 to the 11/11

07/10/2009 11:26:49 <Tero> I can arrange myself any day in November except 6th and 9th.

07/10/2009 11:27:14 <Erkki> Yves, which means that November 19th or 20th would suit you. Right?

07/10/2009 11:27:23 <Troy> OK. 20 and 19 are both OK too.

07/10/2009 11:27:39 <Tero> Now I've got to attend the other meeting.

07/10/2009 11:27:49 <Erkki> Yves, which one would you prefer?

07/10/2009 11:27:51 <yves neuville> all my courses are on thursday and friday in paris till the 28 november

07/10/2009 11:27:58 <Troy> Bye, Tero
07/10/2009 11:28:03 <Tero> Bye!
07/10/2009 11:28:24 * Tero quit (timeout)
07/10/2009 11:28:38 <Erkki> Thus, it would have to be on the 17th which is Tuesday.
07/10/2009 11:28:59 <yves neuville> i don't see the proposal on my screen
07/10/2009 11:29:19 <yves neuville> 17th is ok
07/10/2009 11:29:31 <Karl> 17th is OK for me also
07/10/2009 11:29:43 <yves neuville> what is planned before?
07/10/2009 11:29:45 <Erkki> Could we agree on the 17th, relatively late so that Alain could also attend?
07/10/2009 11:30:01 <yves neuville> yes for me
07/10/2009 11:30:07 <Karl> yes
07/10/2009 11:30:36 <Erkki> Fine! Thus, we'll have the review period till November 9th.
07/10/2009 11:31:07 <Erkki> The onle WS meeting will be on November 17th. Which time?
07/10/2009 11:31:30 <yves neuville> what is meant by review period? tchats?
07/10/2009 11:31:37 <Erkki> Above: onle = on-line
07/10/2009 11:32:16 <Erkki> The review period means availability of the draft in both revisable and PDF formats for comments.
07/10/2009 11:32:20 <yves neuville> sorry i see nothing above on my screen
07/10/2009 11:32:31 * Håvard joins meek
07/10/2009 11:33:05 * Håvard quit (timeout)
07/10/2009 11:33:08 * Håvard joins meek
07/10/2009 11:33:10 <Karl> 13:00 Brussels time? (which would be 7:00 Eastern Canada and 14:00 Finland)
07/10/2009 11:33:23 <yves neuville> so we get it on the 9th ? and discuss it on the 17th nov.
07/10/2009 11:34:21 <Erkki> Yves, the draft is now available. The meeting on the 17th is to agree on the disposition of comments received by November 9th.
07/10/2009 11:34:36 <yves neuville> how long is it planned for the 17th?
07/10/2009 11:34:57 <Erkki> Your choice!
07/10/2009 11:35:22 <Erkki> Actually, it depends on the number of comments received.
07/10/2009 11:35:29 <yves neuville> excellent so it's on the MEEK site
07/10/2009 11:35:35 <Troy> What about testing the setup? Didn't we discuss that we'd have a test before the actual meet?
07/10/2009 11:36:00 <Erkki> All comments will be circulated to the extended project team, as well as the proposed disposition of them.
07/10/2009 11:36:13 <Karl> That's fine!
07/10/2009 11:37:17 <Erkki> The on-line meeting will be organized by CEN. We can have a more limited test prior to that, but the system has been used on a trial basis extensively.
07/10/2009 11:38:20 <Erkki> What time should we start on November 17th?
07/10/2009 11:38:41 <yves neuville> will it be talkink or just writing whic is difficult
07/10/2009 11:38:57 <Karl> 13:00? (see above)
07/10/2009 11:39:48 <yves neuville> for Alain it should be at Least 14h30 or 15
07/10/2009 11:40:15 <yves neuville> he has 6 hours difference
07/10/2009 11:41:06 <Erkki> Fine. Let's make it 14.30. If so, I think we have now reached the necessary agreements. I'll document them and send to the extended PT list.
07/10/2009 11:41:25 <Karl> OK for me.
07/10/2009 11:41:47 <yves neuville> will it be talkink or just writing
07/10/2009 11:41:50 <Troy> Great
07/10/2009 11:42:18 <yves neuville> ok for 14h30

07/10/2009 11:42:36 <Erkki> I understand that they'll also have some talkin facility, but We'll find out the details.

07/10/2009 11:42:44 <Troy> Erkki, are there any specs on the CEN system anywhere? I know it's possible to review the document online, but nothing much else.

07/10/2009 11:43:11 <Troy> OK. Great. You will email us the info once you find out, right?

07/10/2009 11:43:11 <Erkki> We'll send you the information on the CEN system.

07/10/2009 11:43:30 <yves neuville> is there a way to make a real phone conference?

07/10/2009 11:44:17 <Erkki> OK. Thank you all for your participation. Mike Pluke wiöll have to abide. He's now chairing an ETSI HF meeting.

07/10/2009 11:45:07 <Troy> I've used Skype, but it has some glitches in its conferencing mode, at least when people are around the globe. Could we combine these two? I mean if there is no sound.

07/10/2009 11:45:45 <Troy> Anyway, let's discuss this after we get the specs.

07/10/2009 11:45:50 <Troy> Thanks, Erkki.

07/10/2009 11:46:00 <Erkki> Yves, I'll find out what a phone conference would require. When I've been organizing some in the past, they've been rather expensive, though.

07/10/2009 11:46:02 <yves neuville> Thanks

07/10/2009 11:46:54 <yves neuville> we could have some nb or company helping us?

07/10/2009 11:47:38 <yves neuville> because phoning to a land line now might be less expensive than before

07/10/2009 11:48:35 <yves neuville> they just have then to provide the central installation and a number to cal

07/10/2009 11:48:52 <yves neuville> this is without costs for them

07/10/2009 11:49:11 <Erkki> Yves, I agree with you, but all I can promise is that we'll have a look at the options..

07/10/2009 11:49:22 <yves neuville> Thanks a lot

07/10/2009 11:50:30 <Erkki> Thus: Review period till November 9th, WS meeting on November 17th at 14:30 Brussels time.

07/10/2009 11:50:59 <yves neuville> Good

07/10/2009 11:51:09 <yves neuville> for me

07/10/2009 11:51:24 <Erkki> Unless anyone of you has something to add, I'll thank you all sincerely.

07/10/2009 11:51:52 <Troy> Bye, everybody.

07/10/2009 11:51:57 <Troy> And thanks.

07/10/2009 11:52:14 <yves neuville> Bye, and thanks

07/10/2009 11:53:47 <Karl> Bye, everybody.

07/10/2009 11:54:19 * Karl quit (timeout)
